

# RUN WITH A MISSION

Your participation will help Brazos Abiertos build a safe learning environment that can benefit hundreds or even thousands of children for years to come — and ultimately build a stronger community.

## Join and run/bike/swim 10km!

Your gift will go towards the construction of a new school building in one of the most impoverished communities of Lima, Peru. Recruit a network to run along with you or to support you in this vital race. Join others from all over the world as together we raise the funds needed to complete the building.
